

**Councilmembers Kansen Chu & Sam Liccardo, and
Department of Environmental Services invite you to attend:**

This is Hana. She and dozens of others like her have been abandoned on a ranch in San Jose over the years, living with little food and shelter. The ranch has been sold and the cats have lost even this meager home. Please join Town Cats and the City of San Jose in finding homes for these cats.

Adoption Fair!

Special Fees for Special Cats

**Where: George Mayne Elementary School
Multi-Purpose Room
5030 North First Street, Alviso, CA**

**When:
Saturday, Jan. 10
10:00am to 4:00pm**

If you are interested in adopting any of these fine cats, Town Cats is lowering its normal adoption fee of \$125 to \$75. All the cats have been neutered and vaccinated. Some are feral and would make good barn cats; some are lovable lap cats. For more information on the ranch cats, visit www.towncats.org.

Town Cats urges you to neuter your pets. For low cost neutering programs go to http://www.towncats.org/spay_neuter.htm. There's lots of information there, and fees range from \$10 to \$30 for cats. It's cheap and easy!
